The Assembly of God Church of Los Lunas, N. M., was organized as a mission in ~~October~~ Sept. 1947. ~~West~~

Services were first conducted in a home located at the corner ~~west~~ of Los Lentes and Main street, west the present sight of Sandia Savings and Loan.

In Dec. of 1947 services were being held in a house on the corner of Los Lentes and Courthouse Road. From this location the church moved to Mrs. Fred Raff's house, and continued there until 1952.

As the congregation began to grow, plans were made to build a church house. Property was purchased and building program was begun.

Finally, one last move was made to the present church location on Carter Street.

The first services were held in the new facilities on Easter Sunday 1952.

Rev. & Mrs. John A. Demmeber were the first pastors, coming to Los Lunas from Granview, Texas.

They continued as the spiritual leaders of the church for thirty-three years. (over)
